

BAYLYS BEACH

This stunning home has large windows around the living, dining and kitchen that lets in a lot of natural light. A study sits above the kitchen on a mezzanine floor. In the main gathering areas, it's easy to move between the areas. The split-bedroom layout grants lots of privacy to the deluxe master suite, which boasts a walk-in closet, a separate bath, shower, and two sinks. Upstairs there are two more bedrooms both with their very own ensuite bathrooms. Don't miss the walk-through pantry which also provides access to the laundry and internal access to the garage. These features and many more make this a home that is sure to bring you and your family a wonderful living experience.
