

CURIO BAY

This home offers relaxed beauty and functionality. Kitchen, dining, living and outdoor living spaces flow into each other, offering great flexibility. The master suite's location on this level lets you reach your deluxe retreat without climbing stairs and offers a dual walk-in-robe and spacious bathroom. Two additional bedrooms located off the kitchen have a shared ensuite bathroom and there is an office or optional fourth bedroom on the opposite side of the kitchen near the guest bathroom and laundry. A bonus loft/mezzanine floor above the kitchen is a great space for a private library and study area. A two car garage with internal access completes this home.

Floor Area: 264m²
