

TE ARAROA BEACH

This home is designed for narrower sections without compromise. This home includes everything you could want including a scullery, two studies, dual living, (one up and one down), a kitchen, outdoor bar, a covered outdoor space, four balconies for maximum view potential and some serious street style! If your section is narrow and you like to have it all, you may not find a better home than this!

Floor Area: 229m²
